

SportsQ™ Booking Manager

conflicting bookings?
 missing bookings?
 unpaid bookings?
 dishonest staff?

With Booking Manager you could manage your center facility reservation efficiently. It's equally suited to public situations such as Clubs, Sports Center, Universities, or Libraries where facilities needs to be reserved in advanced.

- Quick and easy to implement
- Saves receptionist or administrators time
- Multiple counters with synchronizations.
- Remote staff, users, or members can easily make bookings
- Designed to integrate with your website or application
- Design and style can be easily customized to match your site
- Gauge your performance with daily or monthly Report Summary.
- Track your daily operation from the office, home, or anywhere around the globe.
- Contains CCTV recording features, so your staff will never cheat. Protect your investment
- Together with the embedded POS system, you could save more without buying a separate cash register.
